COURSE OUTLINE: SIS20321 - Certificate II in Sport Coaching

Dear Student, Parent/Guardian,

Welcome to My Industry Training!

Thank you for choosing to undertake your training with us. This course outline provides important information about your qualification, including what you will learn, how your training will be delivered and assessed and the opportunities available upon completion.

Please read this course outline and the Student Handbook before commencing your training, as both documents contain important information to support your learning journey.

01 / DISCOVER YOUR COURSE

What will you learn?

SIS20321 Certificate II in Sport Coaching introduces students to the sport and recreation industry and provides the opportunity to develop practical coaching skills used in community-based sporting environments.
Throughout the course, students will learn how to assist with pre-planned coaching sessions for foundation-level participants, communicate effectively, support participant development and apply safe coaching practices.
Students will also develop essential knowledge in workplace safety, first aid and responding to emergency situations while gaining practical experience in sporting environments.
This qualification provides a foundation for further training, volunteering and future assistant coaching opportunities within the sport and recreation industry.

02 / YOUR OUTCOMES

What can you achieve?

On successful completion of the course, students can achieve:

- **Nationally Recognised Qualification:** SIS20321 Certificate II in Sport Coaching.
- **4 QCE Points:** Contribute four (4) credits towards the Queensland Certificate of Education.
- **First Aid & Safety Skills:** Develop First Aid, CPR & Workplace safety knowledge relevant to sporting environments.
- **Future Career Pathways:** Opportunities for employment and further industry training.

PLEASE NOTE: *QCE credits, funding and other outcomes must be checked against the current requirements for each course and student.*

03 / HOW YOU WILL LEARN

A mix of hands-on and theory-based learning

Students complete a combination of practical coaching activities and theoretical learning throughout the course.

Training is designed to develop industry-relevant skills in a supportive environment, with practical activities involving coaching sessions, participant engagement, sporting equipment and workplace safety.

01: LEARN – Develop your knowledge

Learn about coaching principles, communication, participant safety, first aid and the responsibilities involved in community sport coaching.

02: PRACTISE – Build your practical skills

Develop practical coaching skills by assisting with sporting activities, preparing equipment and supporting foundation-level participants.

03: COMPLETE – Demonstrate your competency

Complete theory and practical assessments to demonstrate the skills and knowledge required for each unit of competency.

04: PROGRESS – Work towards your qualification

Successfully complete all required units of competency to achieve your nationally recognised qualification and explore future sport coaching pathways.

04 / COURSE CONTENT

Units of competency

SIS20321 Certificate II in Sport Coaching consists of 7 units of competency, including 3 core units and 4 elective units.
